Dear Sir or Madam:

This is to advise The Commission that construction of the referenced satellite earth station has been completed in accordance with all terms, conditions, obligations and technical parameters set forth in the Commission's authorization. The antenna facility has been tested and is within 2 dB of the pattern specified in §25.209. The station was granted authority on 6/7/2011, and will remain operational for the license period unless the license is submitted for cancellation.
