Re: Request for Voluntary Cancellation of Earth Station Licenses  
E050101, E070242 and E110080; Motor Racing Network, Inc.

Greetings.

On behalf of our client, Motor Racing Network, Inc., the licensee of the above-referenced three Earth Station licenses (bearing the file numbers set forth below), we hereby respectfully request that these licenses be cancelled. The business of the Licensee does not any longer require these licenses and they will no longer be used by the Licensee for any purpose.

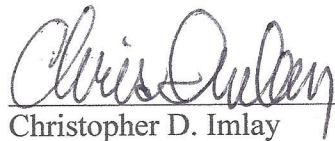

The licenses to be cancelled are as follows:

E050101 -- File Number SES-LIC-20050411-00419  
E070242 -- File Number SES-LIC-20071017-01427  
E110080 -- File Number SES-LIC-20110505-00557

Each of these licenses is currently included in a Form 312 transfer of control application that has been pending since September of 2019. See File No. SES-T/C-20190910-01140. It is the intention of the Licensee of course that this application be dismissed with prejudice as well.

Should any question arise concerning this request, kindly notify the undersigned counsel.

Yours very truly,

Christopher D. Imlay  
Communications Counsel
