

Statement of Compliance with section 25.209 (a) and (b)

The proposed operation of a Ku-band earth station by Life On The Way Communications, Inc. will be in compliance with the side-lobe gain patterns specified in section 25.209 (a) and (b) of the Commission's Rules (i.e. 29-25 log theta).

This application is being filed due to the inadvertent expiration of the previous 1997 to 2007 permit. There are no changes in the antenna system or in any nearby building structures. The applicant is in full compliance of OET-65 controlled and uncontrolled radiation exposure. Nevertheless, placards warning of radiation hazard are posted in and around the tower area.
