Subject: FCC License SES-LIC-20111114-01353 Call sign: E110171

Dear Ms Dortch,

In order for Universal Space Network, Inc. (USN) to maintain compliance with the FCC regulations and the requirements of the "Special and General Provisions" of license SES-LIC-20111114-01353, and per FCC regulations section 25.133(a)(1), "the station must commence operation within 12 months of license grant". The above referenced license was granted on April 13th, 2012 and commencement of operation has occurred on July 9th, 2012. USN hereby confirms the antenna has been tested to comply with the requirements of Section 25.209 and that operations are and will be conducted on a daily basis until further notice.

If you have any questions or require additional information please do not hesitate to contact me at 215-394-0127 or email at jgreet@uspacenet.com.

Best Regards,
