

Inmarsat Hawaii Inc.
FCC Form 312
Exhibit F

Response to Question E17: Remote Control Point

Inmarsat Hawaii provides in the Form 312, Schedule B, Items E62 through E68 the address and phone number for Inmarsat's network operation center, which is located in London. The point of contact at the Lino Lakes Gateway is John Palmer, 6221 Holly Drive, Lino Lakes, MN 55038 and can be reached at (651) 429-8778. This point of contact also will have the ability to shut down the earth station immediately upon notification of harmful interference.
