**Re: Correction to Gogo LLC AMSS Blanket License Application  
File Nos. SES-LIC-20120619-00574 & SES-AMD-20120731-00709, Call Sign E120106**

Dear Ms. Dortch:

Gogo LLC ("Gogo"), by its attorney, hereby updates the above-referenced application as amended for a blanket license to provide Ku-band Aeronautical Mobile Satellite Service (the "Gogo AMSS Application") in order to correct item E32 in the Form 312 Schedule B, antenna diameter.

The antenna to be used for the Gogo AMSS system is not circular, but Gogo has calculated an equivalent circular diameter for the antenna of 0.24 meters. Accordingly, Gogo respectfully requests that the Commission update its records relating to the Gogo AMSS Application to reflect an answer of 0.24 meters for item E32. Gogo respectfully requests expedited processing of the Gogo AMSS Application as updated.

Please let me know if you have any questions regarding this matter.

Respectfully submitted,

*/s/ Karis A. Hastings*
