**Re: Gogo LLC Application for Blanket License, File Nos. SES-LIC-20120619-00574;
SES-AMD-20120731-00709 & SES-AFS-20121008-00902, Call Sign E120106**

Dear Ms. Dortch:

Gogo LLC ("Gogo"), by its attorney and pursuant to Section 1.65 of the Commission's rules, 47 C.F.R. § 1.65, hereby updates the record regarding Gogo's above-referenced application for a blanket license to operate earth stations aboard aircraft ("ESAAs"). Specifically, in light of the failure of the Intelsat 27 launch, Gogo withdraws its request to include the Intelsat 27 spacecraft (call sign S2827) as an authorized point of communication for the Gogo ESAA terminals.

Please let me know if you have any questions regarding this matter.

Respectfully submitted,

/s/ Karis A. Hastings
