Re: Updated Contact Information – Call Sign E130079 (SES-LIC-20130418-00330)

Dear Ms. Dortch:

Ocean Exploration Trust (“OET”) hereby provides updated contact information for the relevant administration in St. Vincent and the Grenadines responsible for licensing Earth Stations on Vessels (“ESVs”). In addition to communicating with U.S.-registered vessels, OET anticipates that it will communicate with a vessel registered in St. Vincent and the Grenadines.

In Exhibit A of the application for call sign E130079, OET indicated that it would update the contact information it provided for the administration in St. Vincent and the Grenadines if it determined that another point of contact is more appropriate (FCC Rules 25.221(a)(6) and 25.221(b)(5)). OET has since learned that the appropriate point of contact is:

St. Vincent and the Grenadines  
Maritime Administration  
8 Avenue de Frontenex  
CH 1207 Geneva  
Tel: +41 22 707 63 00  
Fax: +41 22 707 63 50

Please feel free to contact the undersigned if you have any questions.

Sincerely,

/s/
