Re: O3b limited Annual Ka-Band Earth Station Report (Call Sign E130098)

Dear Ms. Dortch:

O3b Limited submits this annual report in accordance with Section 25.145(f)(2) of the Commission's rules regarding the number of earth stations brought into service under O3b's blanket licensing authority in the Ka-band. 47 C.F.R. § 25.145(f)(2).

As of December 31, 2014, O3b has deployed no earth station terminals in connection with its blanket licensing authority. It expects to bring earth stations into service under this authorization in 2015.

Sincerely,

A handwritten signature in cursive script that reads "Suzanne Malloy".
