Re: O3b Limited Blanket Maritime License Certification (Call Sign E130098)

Dear Ms. Dortch:

Pursuant to Condition 6599 of the above referenced blanket maritime license,¹ O3b Limited submits the attached certification to inform the Commission that the O3b's maritime earth station network has been put into operation and will remain operational during the license period.

Please direct any questions concerning this certification to the undersigned.

Sincerely,

A handwritten signature in black ink that reads "Suzanne Malloy".

¹ O3b Blanket Maritime License, File Number SES-LIC-20130528-00455, granted May 13, 2014.

CERTIFICATION

1. I am the Vice President, Regulatory Affairs of O3b Limited ("O3b"), which is the holder of a blanket maritime license for transmissions between the earth stations under call sign E130098 and the O3b satellite system, Call Sign S2935. The blanket maritime license requires that O3b file a certification that includes (1) the name of the licensee, (2) the file number of the application, (3) the call sign of the antennas, (4) the date of the license and (5) certification that the network was put into operation and will remain operational during the license period.
2. O3b hereby certifies that it has placed into operation the maritime earth station network authorized under call sign E130098 (File Number SES-LIC-20130528-00455, granted May 13, 2014). O3b's maritime earth station network will remain operational during the license period.
3. I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge.

Suzanne Malloy
Vice President, Regulatory Affairs
