Dear Ms. Dortch:

On June 18, 2013, O3b Limited ("O3b") submitted the above-referenced application for new authority to operate an earth station in Bristow, Virginia. In the Remote Control Point Location information provided on its FCC Form 312, as well as in the Narrative that accompanied the application submission, O3b provided a contact telephone number for its Network Operations Center, reachable 24 hours a day, 7 days a week. O3b hereby notifies the FCC that the telephone number has been changed to **703-366-1500**.

Please direct any questions to the undersigned.

Sincerely,

/s/ Joslyn Read
