Re: Earth Station E020301
File No.: SES-LIC-20130705-00571

Dear Ms. Dortch:

On behalf of University of Northwestern-St. Paul, we are transmitting herewith the required Certification notifying the Commission that construction of Earth Station ED20301 has been completed in accordance with the terms of the above-referenced Authorization.

Should there be any questions regarding this notification, please communicate with the undersigned counsel.

Very truly yours,

John R. Wilner

Counsel for University of Northwestern-St. Paul

**UNIVERSITY OF
NORTHWESTERN**
ST. PAUL

CERTIFICATION

NAME OF LICENSE: University of Northwestern – St. Paul
FILE NUMBER: SES-LIC-20130705-00571
CALL SIGN: E020301
DATE OF LICENSE: 10/23/2013

The facility as authorized has been completed. Each antenna facility has been tested and is within 2dB of the pattern specified. The station is operational as of this date, November 5, 2013.

I certify that the statements regarding this license are true, complete, and correct to the best of my knowledge and belief, and are made in good faith. I acknowledge that all certifications are considered material representations. I hereby waive any claim to the use of any particular frequency as against the regulatory power of the United States because of the previous use of the same, whether by license or otherwise, and request an authorization in accordance with this application.

Scott A. Jones
Assistant Vice President for Business and Technology/Media
