Is there a way for me to adjust this in your database? I couldn't find a place to do that online. What you have isn't wrong, but needs more detail for some postal carriers to figure out where to take it to. This should work.

Thank you for your follow up.

Subject: Your Mailing Address?

Hell Mr. Paul Sakrison,

Can you verify your mailing address for me to mail you your License Authorization, it was mailed to the address on your FCC Form 312 filed application, and it was return back to the FCC undelivered, therefore you need to provide the correct mailing address to receive your Earth Station Authorization Original and Copy?

Thank You,

Eleanor Lott
