### **Certificate of Completion of Earth Station Construction**

Sirius XM Radio Inc. hereby certifies that it has completed construction and commenced operation of its Ellenwood, GA earth station facility authorized on September 2, 2014 under call sign E140072, File No. SES-LIC-20140724-00616. The station became fully operational on or about December 5, 2014. The earth station antenna authorized by the E140072 license has been tested, and its operations are consistent with Part 25 of the Commission's rules. The antenna will remain operational during the applicable license period unless the license is submitted for cancellation.
