Re: Construction of New Earth Station E150024
File No. SES-LIC-20150317-00166

Dear Ms. Dortch:

This letter relates to the new Earth Station license, call sign E150024, licensed to KMBC Hearst Television Inc. (“Hearst”), pursuant to the Commission’s grant dated April 28, 2015, in File No. SES-LIC-20150317-00166. The facility was completed and operation of the facility commenced as of April 14, 2015, pursuant to the provisionally-granted rule in Section 25.151(e) of the Commission’s Rules. (The license application was placed on Public Notice on March 25, 2015.)

Pursuant to Condition 2938 of the license, Hearst has authorized the undersigned to represent that Hearst’s operation of the earth station will be in conformance with the licensed parameters, the earth station will remain operational during the license period unless the license is submitted for cancellation, and the antenna has been tested and represented by the manufacturer to be within 2 dB of the pattern specified in Rule Section 25.209.

If any questions should arise during the course of your consideration of this notification, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell
Counsel to KMBC Hearst Television Inc.
