Re: 15up Media, LLC - - Certification of Completion of Construction
Temporary-Fixed Transmit and Receive Satellite Earth Station
Call Sign E150094; FCC File No. SES-LIC-20150612-00353

Dear FCC:

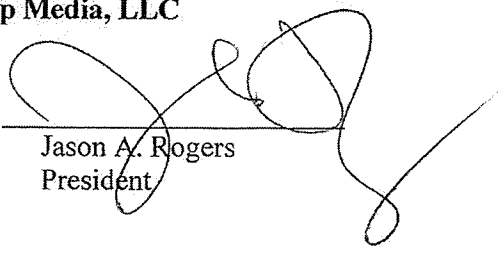

15up Media, LLC ("15up"), pursuant to Section 25.133 of the Commission's rules, 47 C.F.R. § 25.133, respectfully submits this certification that 15up had completed construction and began operation of transportable Ku band (12/14 GHz) temporary-fixed transmit and receive satellite earth station E150094, as authorized by the Commission in File No. SES-LIC-20150612-00353 granted on August 17, 2015. The operation of the earth station has been tested and is within 2 dB of the radiation pattern specified, in accordance with Section 25.209 of the Commission's rules, 47 C.F.R. § 25.209. The earth station became operational on or about August 18, 2015, and will remain operational during the license period unless 15up submits the license for cancellation.

15up also advises the Commission that its mailing address has changed, to 4500 Revere Road, Raleigh, North Carolina 27609.

As an officer of the applicant limited liability company, 15up, by my signature below I certify that no party to this certification of completion of construction is subject to a denial of federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862. In accordance with the Commission's rules, no filing fee is required for this certification filing.

Respectfully submitted,

15up Media, LLC
