Re: Update of Local Point of Contact Information for Call Sign E160028

Dear Ms. Dortch,

On behalf of Kongsberg Satellite Services AS ("KSAT"), we are filing this notice to update the local point of contact information for KSAT's earth station in Fairbanks, Alaska (call sign E160028). KSAT has been informed that Iridium, which hosts the KSAT antenna, has a new point of contact for the Fairbanks site, whose information is as follows:

Name: Blaine Bronson

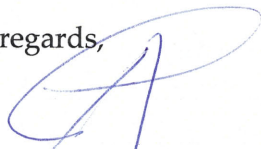

Phone: 907.451.9842

Email: Blaine.Bronson@iridium.com

The contact information for the 24/7 KSAT Tromsø Network Operations Center¹ and the 24/7 Iridium Satellite Network Operations Center² have not changed.

If you have any questions, please contact me at (202) 625-4890 or plmspace@erols.com.

Best regards,

Pamela Meredith

cc: Paul Blais

¹ KSAT's Tromsø Network Operations Center (in Norway) can be reached 24/7 at +47 77 60 02 68.

² Iridium's Satellite Network Operations Center can be contacted 24/7 for emergency support if needed at (703) 724-8300.
