SUBJECT: Request extension for earth station completion.

Dear Eleanor,

Kenneth Copeland Ministries (or as referred to as KCM for parts of this letter) hereby requests an extension of the completion of construction time frame for the location in Newark, Texas for an additional 12 month period.

The current completion of construction time frame expires on 6/14/2017.

Our expectation is that construction of the earth station will be complete before the end of 2017 at which time the completion of construction will be filed.
