Certification of Completion of Construction and Commencement of Service

Dear Ms. Dortch:

KCBD License Subsidiary, LLC, licensee of Temporary Fixed Satellite Service Call Sign E160148, hereby certifies that it has completed the construction authorized in the above-referenced modification application on October 24, 2016. The underlying earth station facility has been placed into operation and will remain operational during the license period, which ends October 19, 2031, unless the license is earlier submitted for cancellation.

The 1.4 meter antenna specified in the license has been tested and is within 2 dB of the pattern specified in Section 25.209 and complies with the special conditions provided in section H of the license.

Questions and correspondence concerning this notification should be directed to the undersigned.

Respectfully submitted,

/s/ Michael Beder
