

VIASAT, INC.

CERTIFICATION OF COMMENCEMENT OF OPERATION

Name of Licensee: Viasat, Inc.

Call Sign: E170088

File Number: SES-LIC-20170401-00357

Grant Date: November 9, 2017

Certification: Viasat, Inc. began deploying the earth station antenna types authorized on a blanket basis under this license on or about December 31, 2017. The antenna types have been tested and found to perform within the authorized off-axis EIRP density levels. Operations under this blanket license will continue during the license period unless the license is submitted for cancellation.
