RE: Application: Certification of Construction Completion for Satellite Earth Station
Licensee: North Slope Borough
Call Sign: E170105
File Number: SES-LIC-20170502-00488
Date of License: June 16, 2017

Dear Ms. Dortch:

Pursuant to Section 25.133 of the Federal Communications Commission's ("Commission") rules,¹ ADCOMM Engineering Company, on behalf of North Slope Borough ("licensee"), hereby notifies the Commission that the satellite earth station licensed under call sign E170105, File No. SES-LIC-20170502-00488, as granted on June 16, 2017, has been constructed and placed in operation. Licensee certifies that the facility was constructed as authorized, and that the antenna was tested and found to perform within authorized gain patterns or off-axis EIRP density levels. The station was placed in operation on or about July 17, 2017 and will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted on behalf of North Slope Borough,

By:
