Re: SES-LIC-20180607-01260, Call Sign E180696

Dear Ms. Dortch:

BlackSky Global, LLC ("BlackSky"), applicant for the above-referenced earth station, hereby clarifies the following frequency parameters for its pending application. The transmit frequencies will be limited to a single channel centered on the following frequencies for the listed emission designators:

- (i) a single 30 kHz channel centered at 450.2 MHz; and
- (ii) a single 200 kHz channel centered at 2071.875 MHz.

All other parameters identified in BlackSky's application remain the same.

Questions with respect to this matter should be referred to the undersigned.

Sincerely,

/s/ Kristina Hloptsidis
