

E181258  
Construction Certification

On behalf of KING Broadcasting Company ("KING"), I hereby certify, pursuant to Section 25.133(d) of the Commission's rules, that E181258 is constructed as authorized in SES-LIC-20180726-02022, granted on September 4, 2018, and E181258 was operational as of September 5, 2018. KING further certifies that the antenna has been tested and found to perform within authorized gain patterns or off-axis EIRP density levels.

E181258 will remain operational during the registration period unless the registration is submitted for cancellation.
