*Notification of Commencement of Operations*

Dear Ms. Dortch:

On behalf of NHK Japan Broadcasting Corporation ("NHK"), the licensee of temporary fixed earth station E181470, the Commission is hereby notified that NHK has completed construction of the earth station as authorized. The earth station commenced operations on November 1, 2018 and will remain operational during the license period unless the license is submitted for cancellation. I am authorized to certify on behalf of NHK that each antenna facility associated with E181470 has been tested and is within 2 dB of the pattern specified in Section 25.209. This certification is made pursuant to requirements of the authorization issued to NHK on October 23, 2018, FCC File Number SES-LIC-20180831-02352.

Should you have any questions about this matter, please contact the undersigned.

Respectfully submitted,

Steven D. Hitchcock  
Counsel for NHK
