Subject: follow up : nexstar broadcasting seslic2019021100146/ sessta2019021100152 (E930480)

Hi Trang,

In response to your email below, the engineer gave me the following information:

E38: 50 watts
E39: 0 – its on the ground
E40: 72.40 dBW

I am attempting to get confirmation on the satellite list for STA purposes.

Best,
Christine

Ps. I will follow up on the other Nexstar STAs shortly.
