*Notification of Commencement of Operations*

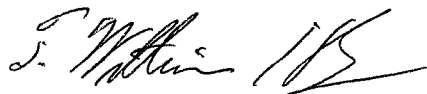

Dear Ms. Dortch:

On behalf of WML Services, LLC (“WML”), the licensee of fixed Ku Band earth station E190108, the Commission is hereby notified that WML has completed construction of the earth station as authorized. The earth station commenced operations on June 17, 2019 and will remain operational during the license period unless the license is submitted for cancellation. Pursuant to 25.133(b)(1)(v) I am authorized to certify on behalf of WML that the antenna facility associated with E190108 has been tested and found to perform within authorized gain patterns or off-axis EIRP density levels.

Should you have any questions about this matter, please contact the undersigned.

Respectfully submitted,

HOLLAND & KNIGHT LLP
