Hello,

I am currently reviewing the application. As listed on page 18 of the application, the elevation and azimuth angles are off from the FCC's calculations. We will correct by sua sponte the proposed values to match with our values.

Item E56 should be 104.7

Item E57 should be 12.4

Item E58 should be 196.6

Item E59 should be 49.5

In addition, we will condition that communications with NSS-7 (S2463) will be as receive-only.

Please let me know that the applicant confirms our corrections.

We will place this application on the Public Notice for Acceptance once we received your response.

Thanks,
Trang Nguyen
