Re: Supplement to New Earth Station Application
Earth Station E190172
FCC File No. SES-LIC-20190312-00466

Dear Sir/Madam:

Upon further review of FCC File No. SES-LIC-20190312-00466, the applicant would hereby request to delete one separately listed satellite on the application (Intelsat 11- S2237, 43.0° W.L.). The applicant wishes to keep all other separately listed satellites as well as the Permitted List for this proposed earth station (Call Sign E190172, FCC File No. SES-LIC-20190312-00466).

Thank you very much for your attention to this request. Should you have any questions or concerns, please feel free to contact the undersigned.

Sincerely yours,

HOLLAND & KNIGHT LLP
