Dear Sir/Madam:

Upon further review of FCC File No. SES-LIC-20190403-00456, the applicant would hereby request to delete the three separately listed satellites on the application (Anik E1, Anik E2, and Solidaridad F-1), and simply keep the Permitted List for this proposed earth station (Call Sign E190165, FCC File No. SES-LIC-20190403-00456).

Thank you very much for your attention to this request. Should you have any questions or concerns, please contact the undersigned.

Sincerely yours,
