Subject: Re: site coordinates discrepancy SES-LIC-20191112-01479 E190858

Hi Trang,

Apologies if we made an error. The coordinates you mention (41° 12' 6.3"N, 74° 31' 34.6"W) are indeed correct. They are at the site of USEI Teleport, Vernon Valley: <https://www.usei-teleport.com/>
Thank you for correcting it in the public system for us.

Best regards,

Ben
