Amendment
Cordova Telephone Cooperative, Inc.
FCC Form 312
May 14, 2020

Amendment from Transmit-Only to Transmit/Receive

Cordova Telephone Cooperative, Inc. (“Cordova”) is amending its application to a Transmit/Receive application (from, previously, a Transmit-Only application) to reflect recent changes to the FCC’s Rules allowing such Transmit/Receive applications outside of the continental U.S. Cordova and its satellite earth station reside in Alaska, outside of the continental U.S. All other information in the application remains the same.
