RE: Description of Services

On behalf of PSSI Global Services LLC, I would like to submit the following clarification on the Application for Earth Station Authorizations, FCC 312 Main Form, Box 43, description of services, for the following applications.

SES-LIC-20210802-01317 Call Sign E210304
SES-LIC-20210802-01318 Call Sign E210305
SES-LIC-20210802-01319 Call Sign E210306
SES-LIC-20210802-01320 Call Sign E210307

Please strike and insert the following description of services.

“Applicant seeks FCC authority to operate a Transmit-Receive Temporary-Fixed Earth Station for the purpose of backhaul and contribution feeds of video/audio programming, including news, entertainment, corporate and sporting events from various locations to our customers.”

If further information is required, please direct inquiries and correspondence to the undersigned.

Sincerely,

A handwritten signature in black ink that reads "B Nelles". The signature is written in a cursive, flowing style.

Brian S Nelles
