

GEOGRAPHIC OPERATION EXHIBIT

Pursuant to 47 C.F.R. §§ 25.115(1)(3)(ii) and 25.115(m)(3)(ii), Speedcast Communications Inc. (“Speedcast”) provides the geographic areas in which the earth stations in motion (“ESIMs”) requested in this application will operate. The requested ESIMs will operate as earth stations on vessels (“ESVs”) in the coastal waters of the United States and in international waters within coverage of Permitted List satellites.
