Dear Secretary Dortch,

Attached please find an original and five copies of Certifications of Completion of the five above-referenced call signs filed on behalf of Stratos Communications, Inc.

Also enclosed please find an additional copy of each Certification to be date stamped. Please return these Certification copies to me in the enclosed pre-paid FedEx envelope.

Please direct any questions concerning this filing to the undersigned at (301) 968-1938.

Respectfully submitted,

Bruce Henoch
Vice President, Legal & Regulatory Affairs

Licensee: Stratos Communications, Inc.
File Number: SES-MFS-20051122-01614
Call Sign: E000180
Date of Grant: March 27, 2008
Date on which Station Became Operational: March 27, 2008

Construction of the antenna facility identified above, as authorized by the Commission, has been completed and is operational. The antenna has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules. 47 C.F.R. § 25.209. Commencement of service began on March 27, 2008, and the antenna will remain operational throughout the license period unless the license is submitted for cancellation.

I hereby certify that I am the technically qualified person responsible for preparation of the attached information; that I am familiar with the Commission's rules and policies, including 47 C.F.R. Part 25 concerning satellite earth stations; and that this information is accurate to the best of my knowledge.

A handwritten signature in blue ink, appearing to read "B Henoch".

Bruce A. Henoch
Vice President, Legal & Regulatory
