**MOTION TO DESIGNATE PROCEEDINGS AS "PERMIT-BUT-DISCLOSE"**

Mobile Satellite Ventures Subsidiary LLC ("MSV") hereby requests that the Commission designate the *ex parte* status of the above-captioned proceedings as "permit-but-disclose."<sup>1</sup>

Pursuant to the Commission's rules, "[w]here the public interest so requires in a particular proceeding, the Commission and its staff retain the discretion to modify the applicable *ex parte* rules by order, letter, or public notice." 47 C.F.R. § 1.1200(a). These proceedings involve applications for Title III authorizations to operate in the United States using an uncoordinated Inmarsat satellite in the L band. The applications raise policy issues concerning the management of L band spectrum, including complex technical issues, which are the same issues raised by similar previously filed applications currently pending before the International Bureau to operate

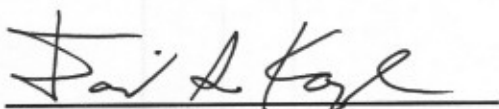

---

<sup>1</sup> On this day, MSV has filed a Notice of Intent to Participate in the above-referenced proceedings, thereby making these proceedings restricted under the Commission's *ex parte* rules. See MSV, Notice of Intent to Participate, File No. SES-LFS-20051123-01634 et al (November 30, 2005).

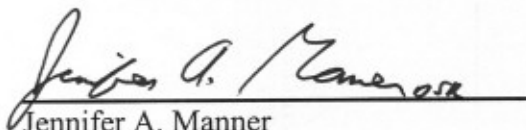

with Inmarsat-4 satellites.<sup>2</sup> The International Bureau has already designated these previously filed applications as permit-but-disclose proceedings.<sup>3</sup> A free exchange of views, particularly with Commission engineers, will be useful in creating a more complete record.

Based on the foregoing, MSV respectfully requests that the Commission designate the *ex parte* status of the above-captioned proceedings as “permit-but-disclose.”

Respectfully submitted,

Bruce D. Jacobs  
David S. Konczal
