**Re: Mobile Satellite Ventures Subsidiary LLC
Application of Deere & Company
File No. SES-MFS-20071107-01535 (E010011)**

Dear Ms. Dortch:

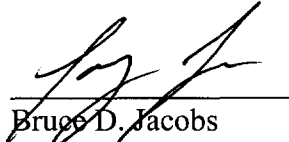

Mobile Satellite Ventures Subsidiary LLC (“MSV”) hereby submits this letter in connection with the above-referenced application (“Application”), which seeks access to Inmarsat satellites. MSV has previously opposed similar applications seeking access to Inmarsat satellites.¹ Mobile Satellite Ventures LP, Mobile Satellite Ventures (Canada) Inc., and Inmarsat Global Limited (“Inmarsat”), however, recently entered into a long-term coordination agreement that includes operation of the parties’ current and next-generation satellites in North America. Pursuant to that agreement, and subject to it being accepted by the relevant Administrations (United States, Canada, and the United Kingdom), MSV supports the grant of the Application.

¹ See, e.g., Petition to Hold in Abeyance, File No. SES-MFS-20060725-01253 (September 8, 2006); Petition to Hold in Abeyance, File No. SES-LIC-20051123-01634 (January 13, 2006); Supplement to Petitions to Hold in Abeyance and Comments of Mobile Satellite Ventures Subsidiary LLC, File Nos. SES-LIC-20051123-01634 *et al.* (April 18, 2007).

Ms. Marlene H. Dortch
