Re: Further Clarification Regarding E020169 Modification Application
File No. SES-MFS-20081201-01521

Dear Ms. Dortch:

Intelsat North America LLC ("Intelsat") files this letter to further clarify the frequency information in the above referenced application. On December 16, 2008 the International Bureau on delegated authority dismissed the 3400-3600 MHz portion of Intelsat's application without prejudice to refile.¹ Intelsat clarifies herein that the bands 3600-3625 MHz also should be deleted from the application.

Please direct any questions regarding this letter to the undersigned at (202) 944-7848.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Susan H. Crandall".
