Dear Ms. Dortch:

On September 23, 2010, Anthony J. Navarra, President, Global Operations, and L. Barbee Ponder IV, General Counsel and Vice President of Regulatory Affairs, of Globalstar, Inc. (“Globalstar”) and the undersigned (via teleconference), had a meeting with Gardner Foster, Karl Kensinger, Robert Nelson, Rod Porter, and Cassandra Thomas, of the International Bureau. They discussed the status of the requests for STA filed on September 22, 2010 in the above referenced files, along with the underlying earth-station authorization application filed on December 21, 2009. Globalstar representatives also provided an update on progress toward finalizing Globalstar’s French authority to operate its second-generation satellite constellation, and urged the International Bureau to grant Globalstar’s pending applications for reasons given in written pleadings.

On September 24, 2010, L. Barbee Ponder IV, Paul Monte, Vice President, Engineering and Product Development, Brinda Shah, Manager, Systems Analysis, of Globalstar, and the undersigned, participated via teleconference with Bill Bell, Karl Kensinger, and Robert Nelson, of the International Bureau. They discussed the requests for STA filed on September 22 and 23, 2010, in the above referenced files, including technical information concerning those requests.

Should there be any questions concerning these meetings, please contact the undersigned.

Respectfully submitted,

/s/ Samir Jain
