Dear Ms. Dortch:

HNS License Sub, LLC (“Hughes”), by its attorneys and pursuant to Section 25.152(a) of the Commission’s Rules, 47 C.F.R. § 25.152(a), hereby requests the dismissal without prejudice of the above-referenced applications to modify the earth station licenses in Call Signs E060445, E060382, and E060383 to include an additional point of communication. Please note that Hughes’s July 2011 application for modification of the earth station license in E060445 – File No. SES-MFS-20110701-00767 – is unaffected by this action, and is to remain pending.

Please direct any questions regarding this matter to me.

Respectfully submitted,

Stephen D. Baruch
