Re: Notice of Construction and Certification of Operations
Earth Station E070026
File No. SES-MFS-20100514-00592

Dear Ms. Dortch:

Pursuant to Section 25.133 of the Commission's rules, 47 C.F.R. §25.133, STM Networks Inc. ("STM") hereby submits the following information and certifications regarding Earth Station E070026 (the "Station"). On June 30, 2010, the Commission granted STM a modified license to operate the Station.

Licensee: STM Networks Inc.

File No.: SES-MFS-20100514-00592

Call Sign: E070026

Date of License: June 30, 2010

Certification of Completion of Construction: STM hereby certifies that the facility as authorized has been completed and that each antenna facility has been tested and is within 2 dB of the pattern specified in Section §25.509 of the Commission's rules, 47 C.F.R. §25.509.

Date of Commencement of Operations: June 30, 2010

Certification of Commencement of Operations: The Station is operational and will remain operational during the license period unless the license is submitted for cancellation.

If you have any questions regarding this filing, please contact the undersigned.

Sincerely,

STM NETWORKS, INC.

Geoff Darbyshire
Vice President, Solutions Integration
