

**2<sup>nd</sup> CORRECTION TO NARRATIVE & PART 25 COMPLIANCE EXHIBIT  
KA313  
SES-MFS-20150417-00221**

The response set forth on the last page of the “Narrative & Part 25 Compliance” exhibit asserting applicant’s compliance with Section 25.222 (d) of the Commission’s Rules for Earth Stations on Vessels requires a correction. The response stated –

(d) Comply. ASGI does not operate any ESVs in the 14.47 – 14.5 GHz frequency band.

The response was intended to state –

(d) Comply. Until the coordination process is completed ASGI will continue to comply with 25.222 (d) by not operating Ku-band ESVs at all in the 14.47 – 14.5 GHz frequency band within the specified distances of the protected facilities.

Please replace the original response with the response following below to correct this error.

**Showing of Part 25 Compliance for Remote Antennas and ESV Service**

**Section 25.222**

.....

(d) Comply. Until the coordination process is completed ASGI will continue to comply with 25.222 (d) by not operating Ku-band ESVs at all in the 14.47 – 14.5 GHz frequency band within the specified distances of the protected facilities.
