

Answer to Form 312 - Question E20

FAA Notification Not Required

Pursuant to 47 C.F.R. § 17.7 and 14 C.F.R. § 77.13, FAA Notification is not required for the following reason:

The proposed antenna is exempt pursuant to 47 C.F.R. § 17.7(e)(3) because it is less than 6.10 meters in height.
