**Re: Panasonic Avionics Corporation – Section 1.65 Submission,
Withdrawal of Waiver Request
File No. SES-MFS-20170312-00255, Call Sign E100089**

Dear Ms. Dortch:

After consultation with the Commission staff, Panasonic Avionics Corporation (“Panasonic Avionics”), pursuant to Section 1.65 of the Commission’s Rules, 47 C.F.R. § 1.65, withdraws a waiver request made in connection with the above-referenced earth station aboard aircraft (“ESAA”) blanket license modification application.

Panasonic Avionics hereby withdraws its waiver request to permit ESAA operations with the AsiaSat-7 and IS-33E satellites in the 12.25-12.75 GHz band.¹ Although originally requested out of an abundance of caution, no waiver is necessary because Panasonic Avionics will accept authority to operate in this band on a non-interference and unprotected basis.

Please do not hesitate to contact me with any questions regarding this matter.

Respectfully submitted,
