**Re: Globecomm Systems, Inc.
Supplement to FCC Form 312 Modification Application and Petition
for Reconsideration
FCC File No. SES-MOD-20000-00658
Earth Station E990402, Hauppauge, New York**

Dear Ms. Dortch:

Submitted herewith, and pursuant to a request from the Commission staff, is additional engineering information for the above-referenced E990402 earth station modification application. This submission sets forth additional information as to the intervening terrain surrounding the earth station site, and additional radial profiles and profile maps. Please associate this information with the above-referenced application, which is also the subject of a pending petition for reconsideration filed with the Commission on July 24, 2002.

If there are any questions regarding this matter, please contact the undersigned.

Respectfully submitted,

Jason S. Roberts
