Re: *Corrections to FCC IBFS Database to Reflect Correct Licensee Name*

Dear Ms. Dortch:

During a recent review of the IBFS Database, it was determined that the Commission's database does not reflect the name of the current licensee for the earth stations of the attached list. All required notifications had previously been filed with the FCC.

Please correct the Commission's records to reflect these changes.

Should you have any questions or require additional information, please contact me at (202) 973-4373.

Sincerely,

Marlene E. Shoemaker
Paralegal
