MOTION FOR EXTENSION OF TIME

PanAmSat Corporation (“PanAmSat”), by its attorneys and pursuant to Section 1.46 of the Commission’s rules,¹ hereby requests a two-week extension of time, through and including November 19, 2002, to reply to the opposition filed by Spacenet Services License Sub, Inc. (“Spacenet”) concerning the above-captioned application.² The Spacenet opposition responds to a PanAmSat petition to deny the modification application of Spacenet.

PanAmSat’s request is supported by good cause. Spacenet and PanAmSat technical personnel have and are scheduled to continue discussing the issues raised by the petition to deny and the opposition. To date, good progress has been made. PanAmSat is optimistic that in due course all issues will be fully resolved. Until discussions have been completed and a resolution achieved, however, PanAmSat needs to preserve its right to reply. Moreover, PanAmSat does not want to burden the Commission with what may be an unnecessary filing. Finally, Spacenet has assured

¹ 47 C.F.R. § 1.46.

² PanAmSat filed its Petition to Deny on October 11, 2002. Spacenet’s Opposition to the PanAmSat Petition to Deny was filed on October 24, 2002 and served on PanAmSat by U.S. mail. Pursuant to sections 1.45(c) and 1.4(h) of the Commission’s rules, PanAmSat is required, absent an extension, to file its reply on or before November 5, 2002. 47 C.F.R. §§ 1.45(c) and 1.4(h).

PanAmSat that it has no objection and will interpose no objection to PanAmSat's motion.³

Accordingly, and for good cause shown, PanAmSat respectfully requests an extension through November 19, 2002, to reply to Spacenet.

Respectfully submitted,

PANAMSAT CORPORATION
