

October 26, 2009

TO: FCC

FROM: John T. Bortell, Director of Operations

SUBJECT: Surrender FCC Earth Station License

REF: FRN 0008450793 Call Sign E000153

The letter is to confirm that Science Applications International Corporation , operating out of 21545 Ridgetop Circle, Sterling, VA 20166, no longer requires the referenced Satellite Earth Station License. The contract activity to provide imagery and ancillary data dissemination has been completed and there are no further requirements to maintain the station.

A handwritten signature in black ink, appearing to read "John T. Bortell", is written in a cursive style. The signature is located below the main body of text and above the printed name and contact information.
