Re: Name change from Sola Communications, Inc. to Sola Communications, L.L.C.

Dear Sir:

Please make a note to our company filings that Sola Communications, Inc. has changed its name to Sola Communications, L.L.C. The change was initiated to take advantage of some state law taxation differences between ordinary corporations and limited liability companies. The parent company of Sola remains the same, the controlling officers remains the same and the federal tax identification number remains the same.

If there is any information you require, please call and ask for Randal McCann, our General Counsel. His direct line is 337-371-4305.

Sincerely,

Dianna Meyers
Vice President
