Dear Eleanor,

I am writing about the FCC's letter sent May 3, 2004, but dated January 12, 2004, in connection with the licensing of E030115. Jacki Ponti informs me that you had meant to update the date on the letter before it was mailed out.

I just wanted to make sure that my client has a clear understanding of what his deadline is for filing a petition for reconsideration. Please confirm that petitions are due to be filed within 30 days from the May 3, 2004 date. Thank you.

Sincerely,

Ali Miller
