Dear Ms. Dortch:

This letter is in reference to our Domestic Fixed Satellite Earth Station call sign: **E950174**.

We changed our corporate name from North-Central Christian Broadcasting to Refuge Media Group. We are owners of FM Radio Station WNCB and included this Satellite station in the application form 316 when we notified the Commission of the name change (**file # BALED-20021227AAE**.) However, when working on an application for this station, it comes up under our old name.

Please change the name of our corporation from North-Central Christian Broadcasting to Refuge Media Group as it relates to Fixed Satellite Earth Station E950174.

Should you have any questions, or need further information, please contact the Refuge Director of Engineering at the phone numbers below or email him at palal@refugeradio.com.

Sincerely,

A handwritten signature in black ink that reads "Brett M. Gibson".
